<b>Data:</b>	FOI - 19483   AQI - A49 Count of Incidents with Bystander CPR - Please note AQI measures are measured differently and began as of October 2017. AQI measures exclude pre-applied AQI exceptions - Cancelled by caller / Duplicate / Hoax / Information only / Out of area / Test. Please note this measure has been used as it is the only way to collate the information in the time frame required.
